| 8  | We should really build some garages and turn at least three blocks of Santa Cruz into a pedestrian zone with two-way bike lanes, benches, vegetation, a farmer's market, pop-up markets, etc. The idea of the paseo is great but you can't really plopp a tiny park in one place and expect it to work. | 53 | Please do not create any more "pop up" parks - they are only used by the homeless and middle school kids. These parks do not provide any improvement/benefit to downtown MP. If anything, they are an annoyance as they disrupt traffic flow and take up parking spaces, of which there are way too few of already. | 9/25/2017 11:20 AM |

| 86 | It's a hazard and unnecessary. We now have plenty of outdoor restaurant space and bike corridors. The streets should be maintained as passageways for access to businesses. The current location is especially bad because it impedes access to Trader Joes and Walgreens, both essential community services.       | 9/24/2017 3:40 PM  |

| 111 | None, unless the City is going to do the park right. A tacky, artificial, dirty attempt at a park only detracts from MP's charm.   | 9/23/2017 10:57 PM |

|----|---|--------------------|
| 1  | Natural grass would be a bit nicer  | 9/28/2017 4:59 AM  |
| 2  | Please rethink the whole idea!  | 9/27/2017 8:55 PM  |
| 3  | Cleaning and washing it monthly or bimonthly would be so great  | 9/27/2017 8:45 PM  |
| 4  | The "Paseo" seems to be an attractive nuisance that draws disruptive people to the area, and combined with reduced parking after the Oak Grove bike lane additions has discouraged us from visiting downtown Menlo Park.  | 9/27/2017 8:04 PM  |
| 5  | Utilize the existing Menlo Park park locations.   | 9/27/2017 1:34 PM  |
| 6  | Poorly done and an obstruction. Please remove!  | 9/27/2017 8:06 AM  |
| 7  | Mix the fake turf. Make the focal point for kids with smaller chairs, perhaps some art work or interesting structures. Make it clean and approachable. Please divert the homeless - that is the biggest detractor. Their grocery carts, haunting presence and smell of urine is enough to turn me away from taking my toddler even though she'd love to go. Perhaps a gate would be great too.  | 9/26/2017 7:49 PM  |
| 8  | See above. Not against the concept of the paseo but it's not enough. A tiny park surrounded by parking lots and drivers and hostile business owners isn't very appealing. A bike/pedestrian zone throughout Santa Cruz Ave would be infinitely better (all we need are parking garages). The Curtis location is particularly unfortunate given proximity to quick in-and-out places (Starbucks, Trader Joe's, Walgreen's, the bank...). Speaking of which, this is kind of chicken-egg, but if you want a downtown where people hang out, you'll need to fix the retail mix. Right now it's chain restaurants, errand places, and furniture shops. I only go there for cupcakes, toys, drugs, and Trader Joe's. But if there were more interesting restaurants (e.g. ramen, good Thai), non-chain coffee shops and ice cream places, funkier shops (Cal Ave in Palo Alto is a great example), we'd go there a lot more. | 9/26/2017 6:41 PM  |
| 9  | Current set up is cheesy. Homeless guys make it totally unappealing. Astro turf is not attractive. As an example both the food trucks or the sidewalk sitting areas for restaurants are more appealing.   | 9/26/2017 6:19 PM  |
| 10 | All the noise about the turf being germ-ridden strikes me as lacking in context. Has the city ever tested bacterial levels in sandboxes or turf in permanent public parks? I doubt there's much of a difference. And anyone who begrudges the homeless a comfortable place to sit during the day needs to examine his own conscience.   | 9/26/2017 2:23 PM  |
| 11 | See response to question 5.   | 9/26/2017 1:18 PM  |
| 12 | The Paseo is often filled with homeless people which makes it very unattractive. As a mother I'm concerned what my child might find littered there. There are plenty of other seating areas, it would be great if more work could be done to discourage loitering in area for public enjoyment  | 9/26/2017 11:21 AM |
| 13 | Location is not the issue. The execution is the issue. The idea is right but the execution is bad. Lose the astroturf and just set up benches or tables and chairs.   | 9/26/2017 11:20 AM |
| 14 | These 'temporary' installations need to be rotated frequently to prevent homeless and lazy dog owners from using this as a sleeping surface/litter box. Parents who want fun places for kids or older adults looking for a place to relax near the downtown space should have a clean safe place to hangout on. Faster rotation of the Paseo to multiple/random but close in locations will keep it fresh, lessen the burden of business that feel adversely impacted and be more interesting to kids and adults alike.   | 9/26/2017 9:49 AM  |
| 15 | I never use it. seems dirty. lots of trash. fake grass looks cheap. I keep trying to turn down the street to get to trader joes and can't. would rather use the money to improve fremont park   | 9/26/2017 9:24 AM  |
| 16 | I would be terrific if our civic leaders would listen to the downtown store owners, workers and those who have been immediately negatively impacted by the road closure. We have been calling for this removal for the better part of two years and our voices have fallen on deaf ears.  | 9/26/2017 8:56 AM  |

| 17 | I am not happy that there is astroturf with e-coli brewing in it.   | 9/26/2017 8:41 AM  |

| 29 | Thanks! Great spot for kids to roam, appreciate the Adirondack chairs   | 9/26/2017 8:21 AM  |
| 30 | The park is dirty and the only people I see there daily is the homeless. It is the new tent city.   | 9/26/2017 7:22 AM  |
| 31 | Get rid of it.  | 9/26/2017 5:50 AM  |
| 32 | improve Fremont Park instead of making a new park   | 9/25/2017 11:06 PM |
| 33 | It's an eyesore and often has trash strewn about. I would never take my young children there and avoid walking through it at all costs. Our money should be spent on improving the parks we already have.   | 9/25/2017 10:40 PM |
| 34 | I understand there have been some problems with the Paseo involving toxins and bedbugs.   | 9/25/2017 10:28 PM |
| 35 | It's nice to see how the use of this Park has expanded over time. It's a great location especially next to a Starbucks!   | 9/25/2017 9:53 PM  |
| 36 | Many times I have passed that area, and I saw homeless people sleeping or loitering there.  | 9/25/2017 9:50 PM  |
| 37 | I think the fake park is one of the worse things in downtown and strongly believe that it should be removed and NOT replaced!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!  | 9/25/2017 8:01 PM  |
| 38 | It is a blight on downtown and should go away   | 9/25/2017 7:39 PM  |
| 39 | This is not a park. It is not a place for Children to play. It is not a place for an average person to sit and eat a sandwich. It is a stinky park that has been taken over by what would have been called vagrants years ago but of course that is no longer acceptable language.  | 9/25/2017 7:35 PM  |
| 40 | Please take it away. It smells so bad and has attracted people who parks their carts and stuff on the tables and chairs - uninviting and unclean!   | 9/25/2017 7:13 PM  |
| 41 | I love open space, but not like this...   | 9/25/2017 7:03 PM  |
| 42 | The Paseo is a pathetic use of space; not a community builder.....a cesspool!!!!!! I avoid going to Walgreens and Starbucks because the stench of urine is so strong! It is so frustrating when I leave the parking lot at Trader Joe's that I cannot turn left and go back to Santa Cruz Ave. PLEASE GIVE THE STREET BACK TO THE PEOPLE THAT PATRON SANTA CRUZ AVE!!!!   | 9/25/2017 6:13 PM  |
| 43 | I regularly see LOTS of students and families using the park. There are homeless people there but they do not seem to disturb anyone -- other than it would be nice if there was additional support for homeless people. I feel much safer driving Santa Cruz Avenue without the Curtis Street intersection adding turning cars to the intersection. If the park does not stay in this location I strongly propose adding a 4-way stop here. Please keep the Paseo and promote more pedestrian and bicycle use in Menlo Park. | 9/25/2017 5:37 PM  |
| 44 | It is not clear what this space is supposed to be used for. It's dirty and not serving any civic purpose. Please remove it!   | 9/25/2017 5:13 PM  |
| 45 | Health hazard, not a safe environment for children to play, heavily impacts local businesses who need vehicle access to this street, not an ideal location for a "park"   | 9/25/2017 5:12 PM  |

|    |  |                    |
|----|--|--------------------|
| 46 | It's an eyesore, not sanitary, inconvenienced local businesses and failed to make Menlo Park more appealing!   | 9/25/2017 5:10 PM  |
| 47 | park is a health hazard and a disaster. why is it still here?  | 9/25/2017 5:08 PM  |
| 48 | Move all these events and the furniture to Fremont park. The filth of the astroturf is disgusting  | 9/25/2017 4:31 PM  |
| 49 | post signs so kids dont do stuff like purposely spill soda, or so dogs dont do their "business."   | 9/25/2017 4:29 PM  |
| 50 | Make it permanent. Do it right, with good lighting, seating, and real grass/landscaping.   | 9/25/2017 4:26 PM  |
| 51 | Dirty, ugly, inconvenient  | 9/25/2017 4:23 PM  |
| 52 | This space is not a park. It is an area with dirty astro turf and a few chairs. If it was set-up with real grass, plenty of chairs and some trees. I am sure it would have had a better acceptance in the community. It wasn't well though out before it was introduced.   | 9/25/2017 4:10 PM  |
| 53 | I love how they used a space where families who just want to have lunch, children who just want a place to hang out after school or adults that need a quick work space to check emails can use it. Please keep the park!  | 9/25/2017 3:54 PM  |
| 54 | I think its a great place for our community to meet and hang out or to just relax. Yes the homeless seem to take over at times which should just be monitored more closely but its a great addition to downtown Menlo park.  | 9/25/2017 3:47 PM  |
| 55 | we need more parking or the least look at the time limits of parking on Santa Cruz ave   | 9/25/2017 3:26 PM  |
| 56 | I have witnessed kids bullying other kids, being loud and obnoxious, hurtling the lined up chairs there, the homeless smoking like smoke stacks, the homeless sleeping for hours during the day, the homeless swearing like truck drivers that kids should not hear, a disgusting stench, dog poop on the fake grass, traffic congestion due to narrow first row parking (and someone always parks in the right of way which should cause accidents), too much noise for the area! This is a bad idea that should be removed immediately and planted where there are trees and real grass!! I don't go to Starbucks or the area anymore because it is disgusting and parking is a nightmare. | 9/25/2017 2:06 PM  |
| 57 | There is garbage, dog and human feces/ urine, old trash in shopping carts, and extremely unsanitary conditions.  | 9/25/2017 2:05 PM  |
| 58 | For the love of God, please get rid of this horrible idea  | 9/25/2017 1:56 PM  |
| 59 | the city is already reducing available parking with the ill-designed restaurant seating. this is not paris, and our sidewalks aren't large enough for this, AND we need the parking! closing off another street (or any street) for use of primarily the homeless is counterproductive. let's care for the homeless in some other way. Menlo Park has plenty of well-maintained park space, for both kids and adults, including the park across from Peet's which is pretty close to the Paseo. Whatever events are considered needed, could be put on in that park. let's end this 'experiment' !   | 9/25/2017 1:45 PM  |
| 60 | I am a Menlo Park resident. I love that the city is finally investing in creating a walkable, vibrant downtown space that is pleasant to visit! I see teenagers hanging out there after school; families during the day. It's a great start. I do believe there have been implementation issues, particularly in using turf/artificial grass. To be blunt, it gets gross after moderate use, especially since people let their dogs go to the bathroom there. Also, it is an uncomfortably hot surface on a warm day. These are fixable. We need to continue moving forward with the vision to generate foot traffic and enhance downtown!   | 9/25/2017 1:09 PM  |
| 61 | I walk by the park nearly every day. I regularly. observe it full of homeless men. If Menlo Park wants to create a space to serve this particular demographic, perhaps it should be in a medical or job training setting. It also makes me feel unsafe.  | 9/25/2017 12:37 PM |
| 62 | the park is a nuisance and not the positive experience that city of Mp residents desired. It has attracted homeless people and it often dirty with lots of garbage   | 9/25/2017 12:26 PM |
| 63 | The idea might have been good but execution is terrible. It has become a semi-encampment for homeless, which makes it both unpleasant and potentially dangerous. There's very little positive use of the park that I've witnessed that could not be achieved in other ways, and frankly in a more natural setting. Astroturfing pavement is aesthetically awful and jarring to the rest of the downtown initiatives.   | 9/25/2017 12:18 PM |
| 64 | Parking, traffic and foot traffic should be restored to the street and this artificial and toxic smelling turf removed immediately. Do events in the park at University Ave.   | 9/25/2017 11:36 AM |
| 65 | nothing else   | 9/25/2017 11:20 AM |

|    |   |                    |
|----|---|--------------------|
| 66 | It's nice to have variety but blocking off the street for extended periods of time consistently is frustrating. Also, would be nice if there was some signage at the south end of the street. You can see as you drive down Santa Cruz whether the street is open but from the other side you can't and it's a unnecessary frustration  | 9/25/2017 10:34 AM |
| 67 | This is a disgusting eyesore and haven for the homeless. Is this really the image the City of Menlo Park wants to project? Do you think this attracts people to shop and dine downtown? It is a deterrent to those activities. Get rid of it.   | 9/25/2017 10:02 AM |
| 68 | The artificial turf is unsanitary. It attracts undesirables   | 9/25/2017 9:44 AM  |
| 69 | It has basically turned into a homeless shelter. I, and many of my neighbors, believe it is unsafe and a public nuisance. I have seen human feces there and it reeks of urine.  | 9/25/2017 9:30 AM  |
| 70 | Remove immediately and restore the parking spaces which are for the public to access downtown merchants.....  | 9/25/2017 9:23 AM  |
| 71 | I applaud the creation of the Paseo and would like to see it continue in some form or other. I thought I would miss the road access but haven't felt the sacrifice one bit. Perhaps the fake grass and plastic chairs are a bit tacky, and I understand the concern about the homeless, but from my observation there's never more than one or two homeless people there. More often I see kids after school. Thank you!  | 9/25/2017 9:11 AM  |
| 72 | get rid of it, eyesore, gross, unkept, smelly   | 9/25/2017 8:54 AM  |
| 73 | this pop up park does not enhance the main downtown in any fashion  | 9/25/2017 8:50 AM  |
| 74 | It is a dirty homeless encampment. Parking near Trader's Joes is now worse than ever. The chairs and tables should be moved to Fremont Park.  | 9/25/2017 8:45 AM  |
| 75 | The current park is a cesspool of germs from animal and human excrement. Any perceived beauty has been marred by shopping carts and homeless people camping out for hours and hours. Give us back parking so that people will come and shop downtown.   | 9/25/2017 8:37 AM  |
| 76 | 200% against the Paseo, it is a magnet for the homeless, the City is not maintaining it, the city is not enforcing all rules and regulations as depicted on the sign. There are drainage issues, smell issues and who is going to pay for a new paint job for out building as now it has become a back board for kids to kick balls and throw baseballs. 200% against, remove it immediately and restore public parking on Curtis Street immediately. Bob Lico owner 643-693 Santa Cruz Avenue.   | 9/25/2017 8:31 AM  |
| 77 | Dirty, germ-ridden. Feels unsafe. Unattended parcels. And, we already have a downtown park at University and Santa Cruz. This is a city eyesore.  | 9/25/2017 8:22 AM  |
| 78 | Temporary is tacky looking.   | 9/25/2017 8:08 AM  |
| 79 | Last year I was mildly amused by the pop-up park, and only slightly inconvenienced by the driving/parking restriction it caused. This year was the same -- no personal use, slight inconvenience, but amused -- until a week ago. I was running early-morning errands (Walgreens, Boulanger, Bagel St Cafe) and found a panhandler there (in addition to the usual outside Walgreens), plus four more who were hanging, seemingly waiting for their time along Santa Cruz Avenue. If this is part of MP's solution for helping the homeless, please spell it out? | 9/25/2017 7:29 AM  |
| 80 | It is wonderful but should be seasonal. It will get much less use in cold and rainy months during which the roadway access would be nice. In better weather it is a pleasant use of the space. I enjoy seeing all the different people using it.  | 9/25/2017 2:32 AM  |
| 81 | At summertime the relaxed used of the open area is pleasant. I saw one show at the park -- cute. But not a real park like at Draegers. This survey does not reflect the grey areas, i.e. the blocking of traffic vs pleasant time vs seasonality. A good experiment but practically the relaxed use of that space is not much used compared to the utility of freeing up traffic. It is seasonally nice for a short period of time each day, for those who are not working. Traffic is a big problem.   | 9/25/2017 1:29 AM  |
| 82 | Fake turf is not desirable  | 9/24/2017 10:16 PM |
| 83 | Ill conceived in the extreme, this installation looks like an embarrassing blight on the city compared to Fremont Park, just a few blocks up Santa Cruz. We should aim for quality, not amateurish cute ideas that can never lead to anything substantial.  | 9/24/2017 10:14 PM |
| 84 | It seems unhealthy / unsanitary   | 9/24/2017 10:14 PM |
| 85 | Too many homeless people. It smells like urine.   | 9/24/2017 9:32 PM  |
| 86 | Please restore street and improve Fremont Park  | 9/24/2017 8:03 PM  |

|     |   |                    |
|-----|---|--------------------|
| 87  | Take the money you are spending on the pop up and put it in the real park up the street called Fremont Park. Put the farmers market on Santa Cruz ave on sundays instead of a parking lot. Do like other towns do . Oh yeah build a garage. I could not park to do 3 errands the other day in lot 1. I left and took my business elsewhere.   | 9/24/2017 7:57 PM  |
| 88  | Dirty and stupid, build a parking garage  | 9/24/2017 7:49 PM  |
| 89  | The city needs to listen to businesses and remove this joke of a park. Who in their right mind thinks this thing looks good. I am embarrassed for Menlo Park government and their inability to represent their constituents.  | 9/24/2017 7:21 PM  |
| 90  | If it becomes permanent it should include actual grass/landscaping. The current installation is ugly and unappealing.   | 9/24/2017 6:43 PM  |
| 91  | I walk and drive through downtown multiple times a day. The pop up park is a huge hindrance. Please abolish it!   | 9/24/2017 6:24 PM  |
| 92  | It's hard to feel very positive about the Paseo because for much of the time there has been inadequate seating or other attractive ways to use it. It did serve as a good meeting place for a presentation I attended on development in MP; however this could have been at Fremont Park. I'd rather restore the few parking spots and access in and out of Santa Cruz Ave than have a small park.  | 9/24/2017 5:50 PM  |
| 93  | It is disappointing our city leaders have allowed such a ridiculous, unsanitary, eye-sore of a completely fake park exist in our beautiful town.  | 9/24/2017 5:30 PM  |
| 94  | This installation is hardly a park! It is unsafe, unsanitary, a bathroom for the homeless, and takes away needed parking. Please end this senseless pop up plan.  | 9/24/2017 5:24 PM  |
| 95  | I'd love for Santa Cruz from El Camino to University to be carless...outdoor seating, biking and walking is so much more enjoyable and safe without the cars!!  | 9/24/2017 5:00 PM  |
| 96  | It is not attractive and is dirty. Not a good use of the space.   | 9/24/2017 4:58 PM  |
| 97  | If we want green space I prefer real plants etc. Turf over pavement is just silly.  | 9/24/2017 4:55 PM  |
| 98  | the space is essentially a homeless shelter.  | 9/24/2017 4:14 PM  |
| 99  | it's an eyesore and useless space. The fake turf gives it away along with the cheap sparse furniture.   | 9/24/2017 4:08 PM  |
| 100 | Enough parking has been removed due to "sidewalk cafes" that popped up all along Santa Cruz. I don't understand these "mobile pop up" parks. I don't think they are very becoming - honestly they look trashy with AstroTurf & people sleeping on them. Why doesn't the city promote Fremont Park? It can be fixed up more & lots of activities can be done there. It's a beautiful little park with gorgeous trees & part of MP's heritage.  | 9/24/2017 4:07 PM  |
| 101 | Keep the turf   | 9/24/2017 4:04 PM  |
| 102 | Not an effective use of public space  | 9/24/2017 3:51 PM  |
| 103 | The Paseo is unnecessary and a hazard. Piece meal town planning can't possibly achieve the goals - the restaurant seating is becoming a huge hazard for visibility, reduced parking is problematic and trash management is in dire need of a good plan. False 'park' space is only making access to businesses even harder and encouraging transient occupation.  | 9/24/2017 3:40 PM  |
| 104 | Limiting parking, and access as well as creating congestion.  | 9/24/2017 3:27 PM  |
| 105 | I have never used the area, it's dirty and not possible to use.   | 9/24/2017 2:30 PM  |
| 106 | The Paseo on Curtis street, obstructs the flow of traffic from Santa Cruz Ave to the Curtis Street businesses, and Trader Joe's   | 9/24/2017 2:13 PM  |
| 107 | We are in downtown Menlo Park many times a day nearly every day of the week. We have found the Paseos to be a dirty, stinky place where homeless people go to the bathroom outdoors and gather in groups, making for a somewhat unsafe feeling for families and children. Also, teenagers gather after school playing loud music and acting rowdy. I think that there should not be Paseos in downtown Menlo Park, and instead we can use Camp Fremont Park on the corner of Santa Cruz Ave and University Dr as our community downtown park. | 9/24/2017 1:16 PM  |
| 108 | Please remove the Paseo as soon as possible!  | 9/24/2017 1:11 PM  |
| 109 | Please restore to the road it used to be.   | 9/24/2017 12:37 PM |

|     |   |                    |

| 110 | Dnjdd   | 9/24/2017 12:24 PM |
| 111 | Please keep it it is amazing  | 9/24/2017 12:21 PM |
| 112 | Take out the fake grass and make it a nice outdoor seating area with permanent planters and benches high quality with cozy bistro lighting  | 9/24/2017 12:13 PM |
| 113 | Ok  | 9/24/2017 12:13 PM |
| 114 | In agreement with all of the arguments AGAINST the pop up park. I do not make use of it and, more importantly, I go out of my way to avoid it. My kids feel unsafe there and also say it smells. Let's find another location away from the fray...and try again to do this better!  | 9/24/2017 12:09 PM |
| 115 | I think it is wonderful to have a permanent spot to sit and hang. It would be amazing if there would be a way to have free wifi, that would definitely make it more populated and that is a good thing. I would love to see it as a a great place to hang do some work, meet friends for coffee, etc. I love the idea of an open space in Menlo Park.   | 9/24/2017 11:58 AM |
| 116 | None  | 9/24/2017 11:42 AM |
| 117 | The paseo is awesome  | 9/24/2017 11:40 AM |
| 118 | We use this as a family space on a regular basis to sit and eat or drink the items we buy downtown. My kids love it - it gets us going downtown shopping Menlo way more than we used to.  | 9/24/2017 11:39 AM |
| 119 | I used to believe that Palo Alto had terrible parking and congestion and would avoid doing business there. I grew up in Menlo Park and am now feeling the same way about Menlo Park. I avoid the city when possible and shop elsewhere.   | 9/24/2017 11:27 AM |
| 120 | keep it   | 9/24/2017 11:25 AM |
| 121 | make it cleaner   | 9/24/2017 11:12 AM |
| 122 | It's gives people a place to hang out so they don't have to go to a resturaunt.   | 9/24/2017 11:12 AM |
| 123 | None  | 9/24/2017 10:55 AM |
| 124 | Please leave it   | 9/24/2017 10:52 AM |
| 125 | It should not be removed.   | 9/24/2017 10:38 AM |
| 126 | It's a great place for kids to hang out!!!  | 9/24/2017 10:38 AM |
| 127 | The biggest problem is all the kids at hillview treat the area like shit, so I'm stuck cleaning it all up. I'm working in this issue because I can't clean all their trash every time I go. It's really annoying because they spill drinks on purpose and throw food just because they can.   | 9/24/2017 10:31 AM |
| 128 | none  | 9/24/2017 10:26 AM |
| 129 | make it permanent but improve it and put more chairs  | 9/24/2017 10:20 AM |
| 130 | It's a very good hangout place for students after school  | 9/24/2017 10:19 AM |
| 131 | I think the paseo should go in between posh bagel and the pharmacy accross from it  | 9/24/2017 10:19 AM |
| 132 | More planned activities including food trucks, more tables/chairs, kids play area and attended to more in terms of cleaning   | 9/24/2017 10:15 AM |
| 133 | I go to hillview middle school and I know that many students use it every day   | 9/24/2017 10:08 AM |
| 134 | It is a great use of space and should stay where it is.   | 9/24/2017 10:03 AM |
| 135 | I would like to see it as a pop up similar to many found in Manhattan, with just cafe tables and chairs and some attractive planted boxes but no fake grass. People can use it to have a coffee or chat but no dogs going to the bathroom or people sleeping on the grass. Could still be used for movie nights if people bring beach chairs. If set up that way it could be seasonal or permanent. | 9/24/2017 10:03 AM |
| 136 | The paseo is amazing for my kids hope it will stay??  | 9/24/2017 9:56 AM  |
| 137 | I believe that you need remove the homeless from the area because that is the one thing that does not enhance the experience. Otherwise, it is great and adds something fun for our little cute town.   | 9/24/2017 9:44 AM  |
| 138 | I think the paseo is a great idea and should be kept there.   | 9/24/2017 9:27 AM  |
| 139 | Roads are for driving!  | 9/24/2017 9:20 AM  |
| 140 | Please keep it. Best place to hang out  | 9/24/2017 9:20 AM  |

|     |  |                    |
|-----|--|--------------------|
| 141 | Hi   | 9/24/2017 9:19 AM  |
| 142 | Paseo is gross and smells and is not attractive nor fun. The homeless have set up camp. I do not see it as a safe area. Add more seating to Fremont park   | 9/24/2017 8:57 AM  |
| 143 | The space is ratty and dirty   | 9/24/2017 8:50 AM  |
| 144 | Hinders traffic and detracts from downtown   | 9/24/2017 8:49 AM  |
| 145 | I agree with paseo opponents that the current installation has issues. However, a more permanent paseo could be developed that addresses issues with cleanliness. Even though I haven't used it much personally, every time I walk by there, I see people enjoying it, and I think having spaces for people is more important than a few parking places.   | 9/24/2017 7:05 AM  |
| 146 | The three homeless guys that sit there at times love it are actually helping by reminding the kids to pick up garbage, not stand on chairs and don't tip the umbrella. My kids go there daily to meet middle school friends. They like being near Walgreens van na mass and Starbucks  | 9/24/2017 4:20 AM  |
| 147 | These sorts of improvements make the downtown a lot nicer. It would be great if they can be made permanent.  | 9/24/2017 12:43 AM |
| 148 | Please consider more substantial renovations to the main street rather than blocking small side streets.   | 9/24/2017 12:19 AM |
| 149 | Please please get rid of the pop up park.  | 9/23/2017 11:54 PM |
| 150 | The pocket park is a really nice idea, but it needs more cleaning of the turf and chairs. Not to sound terrible, but we have a bit of homeless traffic and also food and beverages get spilled, etc. What can be done?   | 9/23/2017 11:15 PM |
| 151 | A small park would be fine as long as you use real grass, keep out the homeless people, etc. What you have now looks like crap.  | 9/23/2017 11:05 PM |
| 152 | I am all in favor of open space and a downtown park. But, the 'pop-up' park is just plain awful. We either do it correctly, or don't do it at all. It is tacky; it is dirty; on most days it is simply a homeless encampment. Traffic is bad enough in MP; if we are going to shut down a street permanently, then it needs to be done first class with trees, plants, real benches and places to sit, no horrible looking astro turf. And it needs to be kept clean and accessible for all; not just the homeless.          | 9/23/2017 10:57 PM |
| 153 | Real foliage, shade, improved seating  | 9/23/2017 10:34 PM |
| 154 | The think this is a nice summer idea but this is ridiculous as a year round idea. Shit it down, it's now disgusting and teaching the point that I'd rather it close permanently  | 9/23/2017 9:55 PM  |
| 155 | Parking and traffic circulation is already an issue in town without closing a street that is ill described as a Paseo. It lacks the ambiance of a real, inviting paseo. Instead it has a fake, artificial appearance about it. It is not attractive and clearly not utilized sufficiently to warrant closing a street for it. The outdoor seating offered by many restaurants now has created a more real paseo atmosphere on Santa Cruz Ave. than the closure of a side street. This is an experiment that didn't work out! | 9/23/2017 9:46 PM  |
| 156 | Do not have the Pop-up Park.   | 9/23/2017 9:43 PM  |
| 157 | Please remove from current location  | 9/23/2017 9:42 PM  |
| 158 | Not sure we need it. I like the restaurant expansion on Santa Cruz better.   | 9/23/2017 9:37 PM  |
| 159 | The homeless are NOT the problem in this parklet. The teenage/kids who come there are the ones who leave most of the mess there! The homeless that hang out there are harmless. Once again, my observation is that the privileged kids of this town ruin it. And YES, fake grass breeds germs...the real deal won't.   | 9/23/2017 9:36 PM  |
| 160 | Build a parking garage and convert an existing interior parking area into a park area to share with Farmers Market   | 9/23/2017 9:01 PM  |
| 161 | Undoubtedly you will hear from many people worried about loss of parking and / or homeless loitering. Neither of those narrow concerns should outweigh the potential for a truly unique land use that makes Menlo Park a destination for residents and others.   | 9/23/2017 8:48 PM  |

|     |   |                   |
|-----|---|-------------------|
| 162 | There just needs to be a way to keep it clean & free of night time camping. There are very few places for kids to hang out as part of our community & have fun. They enjoy being close to Starbucks snacks and Walgreens food. What about pop up snacks & drinks at Fremont park on weekdays? What about older teenagers with a pop up cart and lighting at Fremont park or Lyle park? 14-17 year olds have nowhere to go to stay out of trouble... | 9/23/2017 8:27 PM |
| 163 | The Paseo is an ugly eyesore. It looks dirty and like a refuge for a couple of individuals. I absolutely hate it and hope it is taken down asap. Is this really what we want downtown Menlo Park to look like?? It's an embarrassment!  | 9/23/2017 8:24 PM |
| 164 | Look at Los Altos' "green space". Attractive and town people seem to use it.  | 9/23/2017 8:23 PM |
| 165 | I really like the concept of the paseo, but its execution is terrible. If we're going to do it, let's invest in it so that it will enhance our town and invite people to enjoy it.  | 9/23/2017 8:22 PM |
| 166 | Do not like to pass by when denizens are occupying space. Not a good place for teens to hang out either, Should not be in place 7 days a week.  | 9/23/2017 8:18 PM |
| 167 | I love having a park and rest spot available.   | 9/23/2017 8:18 PM |
| 168 | This space with fake grass, smell of urine, non-inviting appeal does not represent what the town of Menlo Park is. We have the outdoor dining space many restaurants are offering to create a lovely, walking village. Please return this space to parking.   | 9/23/2017 8:05 PM |
| 169 | No sure why it's still there, don't know anyone that likes it. Waste of taxpayers money.  | 9/23/2017 7:59 PM |
| 170 | I haven't heard one person indicate that they like this!  | 9/23/2017 7:50 PM |
| 171 | Possible additions: play equipment for kids; bicycle path on one side; public message board.  | 9/23/2017 7:48 PM |
| 172 | I think it's nice for people to have a place to sit. I like seeing the babies, business people etc using the space. It makes the downtown seem friendlier and more welcoming.   | 9/23/2017 7:46 PM |
| 173 | This space has become a hangout for homeless people, dirty and insightful. Negative for local business owners! Please give us back this important cross street with four way stop sign.   | 9/23/2017 7:42 PM |
| 174 | It's cool. But a homeless guy there hogs all of the chairs and mumbles warnings at people and gets out of control. He's been there for almost a year and made it his home.  | 9/23/2017 7:16 PM |
| 175 | Please give us a break. Open the road.  | 9/23/2017 6:40 PM |
| 176 | Right now it's simply a street with artificial turf. Needs permeable paving, a little real grass, seating & plant materials. Get rid of the street crown.   | 9/23/2017 6:23 PM |
| 177 | I think the fake grass is not needed and is kinda gross. You could create a cute sort of courtyard instead with chairs and tables and umbrellas and some landscaping. Or if people want grass, I would suggest real grass.  | 9/23/2017 6:21 PM |
| 178 | Unfortunately, this space only attracts homeless people. We have enough park space.   | 9/23/2017 6:14 PM |
| 179 | This park looks scary and smells. There is already limited parking with all the added spots for the restaurants. Also, we need more restaurants instead of furniture stores.  | 9/23/2017 6:10 PM |
| 180 | We don't need a paseo. We need pretty, smart-looking mini parks with a comfortable bench or two, may some small artwork, designed by architects with good taste. You are hung up on the word paseo. Think mini-park. Thank you for listening.   | 9/23/2017 5:58 PM |
| 181 | If naysayers don't like it they can go home. Those of who enjoy it will use it.   | 9/23/2017 5:53 PM |
| 182 | It would be better if you got rid of the fake grass.  | 9/23/2017 5:48 PM |
| 183 | I like the "events" that are held there, but during the day, it appears to be a magnet for homeless. It would be better served, if the Pop-up showed up only seasonally, and only during the event days.  | 9/23/2017 5:45 PM |
| 184 | In light of the reduced parking spaces due to the restaurants overflowing into the street we could use the original six or so spaces on Curtis Street. Also if you're coming down Santa Cruz towards El Camino and you want to go to Trader Joe you have to go another block and then drive through the parking lot behind the Left Bank to get to Curtis Street or try to get out onto Menlo which is often quite busy.                            | 9/23/2017 5:42 PM |
| 185 | The expanded sidewalk seating along Santa Cruz is much more successful at creating a more usable lively downtown than the Paseo is.   | 9/23/2017 5:37 PM |
| 186 | None  | 9/23/2017 5:34 PM |

|     |  |                   |
|-----|--|-------------------|
| 187 | EVERY time I passed by there was a minimum of 1 homeless person camped out on one of the chairs, sometimes more. It might be nice if we could keep it from becoming a homeless camp, but I don't know how you do that. Better to be rid of it.   | 9/23/2017 5:31 PM |
| 188 | Keep the paseo but replace turf with something better (real grass?)  | 9/23/2017 5:25 PM |
| 189 | Please take this out. It's disgusting and does more harm than good.  | 9/23/2017 5:17 PM |
| 190 | It is lovely to have some open space downtown. It's a nice location for kids to gather after school or tutoring at one of the various agencies downtown. I understand that some residents don't feel comfortable with some of the park users, but deciding to shut it down isn't the solution to the homelessness problem in our community. We need more places where residents can gather, take a break, enjoy the outdoors. A permanent open space is beneficial to our community. | 9/23/2017 5:13 PM |
| 191 | The space is attracting transients and the homeless. These people should be in shelters and not on the street. The streets and sidewalks are dirty and the transient people are invading the Paseo and benches making it uncomfortable for the citizens.   | 9/23/2017 4:51 PM |
| 192 | Make Santa Cruz avenue a pedestrian only area for weekends   | 9/23/2017 4:51 PM |
| 193 | Let's encourage use of Menlo Parks' existing parks, and forget the 'fake' ones altogether.   | 9/23/2017 4:46 PM |
| 194 | It is ugly. I've sat there, but that astroturf-type "grass" is disgusting. I understand it is a breeding ground for bacteria. Please ban the whole idea of the Paseo. It doesn't work in our community.  | 9/23/2017 4:40 PM |
| 195 | Get rid of it. It's turning into a homeless encampment   | 9/23/2017 4:37 PM |
| 196 | The city has taken away a lot of parking spaces downtown-between the parklets and the new bike lanes on Oak Grove and Crane. It seems that it would be wise to restore the roadway to its intended use.  | 9/23/2017 4:35 PM |
| 197 | I <b>strongly</b> dislike the blocking of the street. Last year it was really terrible, because I count on that stop sign as a way to turn left on to Santa Cruz.  | 9/23/2017 4:33 PM |
| 198 | It looks dirty, never had enough furniture, the park is a better place for kids to congregate.   | 9/23/2017 4:31 PM |
| 199 | Too many homeless people and garbage are always present. Can't enjoy the area, because it's not well cared for.  | 9/23/2017 4:27 PM |
| 200 | MP seems to love bleeding tax dollars with dumb ideas like this. Loudmouths may rule the moment but the rest of us wretch and avert our eyes. Spend the money on pressure washing the sidewalks and prevent hep A from spreading.  | 9/23/2017 4:16 PM |
| 201 | however well-intended, the Paseo is an extremely poor use of any street in an already-congested downtown. There are plenty of parks and places for the special events. In the meantime, the current Paseo seems to restrict traffic flow, attract dogs leaving behind excrement, and create a sanctuary for homeless people (for whom other facilities ought to be more available and more appropriate)  | 9/23/2017 4:15 PM |
| 202 | It is ugly and inconvenient. The west end of town could use a park. Even a decent usable foot path up the hill off Altschul would be a big improvement.  | 9/23/2017 4:12 PM |
| 203 | The artificial grass is constantly dirty and at a minimum the paseo should be policed more aggressively for homeless people. Homeless people are constantly there.   | 9/23/2017 4:10 PM |
| 204 | The paseo worked well when it was a temporary addition for the summer. Now, we don't use it because it is frequented by homeless people who lay all of their things all over the place. There is an abundance of trash and it is just not a nice, relaxing space. We have a nice park across from Peets. We do not need this paseo year round.   | 9/23/2017 4:05 PM |
| 205 | The park is dirty, unattractive, inconvenient and an embarrassment to Menlo Park   | 9/23/2017 4:04 PM |
| 206 | It's a wonderful addition to Menlo Park and when the weather is nice I almost always see someone using the space. I like that it's a place that can be used without having to buy something at a local business just to use their outdoor seating. It's welcoming, the events are enjoyable and the furniture is a nice addition.  | 9/23/2017 4:03 PM |
| 207 | If the paseo will be permanent it would be nice to have real flower pots with beautiful flowers or grasses there. I don't like the look of the artificial lawn. It looks cheap, and can be improved to be partly sand, gravel. It should be a landscaped garden an oasis in the center of Menlo Park.  | 9/23/2017 3:53 PM |
| 208 | Please consider naming it something that's a little clearer what it is.  | 9/23/2017 3:47 PM |

|     |   |                   |
|-----|---|-------------------|
| 209 | Do not install any more paseos. They just attract the homeless  | 9/23/2017 3:46 PM |
| 210 | Whose idea was this? Fire them.   | 9/23/2017 3:46 PM |
| 211 | It looks cluttered and tacky. We do not need this.  | 9/23/2017 3:39 PM |
| 212 | I would be in favor of a small "real" park involving real grass or seating somewhere but NOT artificial turf which harbors harmful bacteria which my kids could be exposed to when hanging out at the Paseo.  | 9/23/2017 3:36 PM |
| 213 | Other than summertime, I don't see the benefit. During the summer, some families use is, especially on movie night. In the winter, the weather is not conducive to outdoor activities and the closing of the street to cars is burdensome.  | 9/23/2017 3:34 PM |
| 214 | This space should be aesthetically pleasing, safe & sanitary and if this cannot be achieved be dropped altogether.  | 9/23/2017 3:29 PM |
| 215 | Get Rid Of It.  | 9/23/2017 3:28 PM |
| 216 | Open public spaces downtown contribute to cultural and social well being and downplay political divisions. People greet others openly   | 9/23/2017 3:15 PM |
| 217 | The Paseo area while great in theory is not maintained well. It is often dirty and not very appealing to use because of this. The Paseo and most of Santa Cruz Ave is quite grimy and not an appealing place to sit and enjoy our lovely city. I would like to see the city better maintain our downtown including the Paseo. Regular power washing, litter collection etc. It is disappointing that our downtown has become used to a certain layer of grime on our buildings, benches and general sidewalk areas. | 9/23/2017 3:04 PM |
| 218 | This paseo with artificial turf and seating attracts bums with their shopping carts just hanging out. My grandson was so afraid when a filthy man approached him that we immediately left., garbage is strewn all around also. What is wrong with putting nice chairs and tables up at Fremont Park. I see no usefulness in blocking off the street that attracts unsavory people   | 9/23/2017 2:58 PM |
| 219 | Not very useful if you can't keep the homeless out of it.   | 9/23/2017 2:56 PM |
| 220 | The biggest problem is animals(dogs) relieving themselves on the artificial turf and of course their owners who allow them to do so. Perhaps a dedicated animal zone(for animal relief) such as in major airports coupled with signage would fix the problem.   | 9/23/2017 2:51 PM |
| 221 | One issue which I don't know how to solve is homeless folks seem to camp there, but the main reason I like it is simply that it reduces congestion from cars making turns.  | 9/23/2017 2:42 PM |
| 222 | OK to keep but has to be designed to be easily power-washed with nice seating and some greenery. NO astro-turf.   | 9/23/2017 2:40 PM |
| 223 | None  | 9/23/2017 2:06 PM |
| 224 | attracts too many homeless people   | 9/23/2017 2:04 PM |
| 225 | Do not like it, unpleasant odor   | 9/23/2017 1:57 PM |
| 226 | I haven't used the space so can't comment on that. Very strong preference that it not be returned to last year's location unless an additional 4-way stop sign is installed. The temporary park looks pretty cheesy with the fake turf. I am not in support of a temporary solution that looks like the current one. Would prefer nothing rather than a temporary park along the lines of what is currently there.  | 9/23/2017 1:43 PM |
| 227 | It is dumb and a waste of money that should be spent on roads, parking lots, bike thoroughfares   | 9/23/2017 1:43 PM |
| 228 | Paseo is a public nuisance. Attracting unattractive and unwelcome people. Sleeping defecating urinating,throwing or dropping garbage and making so much noise others cannot enjoy any part of it. Fremont park is already there. Just make it attractive and keep it that way. It would be great for a summer movie or music without disrupting everyone else and traffic downtown will markedly improved and smother.  | 9/23/2017 1:35 PM |
| 229 | Would LOVE to see several blocks of Santa Cruz blocked off so there would be outdoor cafe seating without cars. Could then make those blocks on Santa Cruz a park or just pedestrian walkway. Would be GREAT for community.   | 9/23/2017 1:31 PM |
| 230 | This place is so dirty, unhygienic, smells like urine and feces. Please remove this as it is so unsafe for our children. It has become a home for homeless.   | 9/23/2017 1:31 PM |

|     |   |                    |
|-----|---|--------------------|
| 231 | For those who don't have younger children, take for granted how comforting it is for kids to have a place to go after school. "The Bank" is available 1 day a week, and the Paseo is critical. It was a successful experiment, let's now make it permanent and eliminate the turf, and temporary structures. BTW, I bet if you tested play grounds you'd find plenty of ecoli...the "cesspool" language being used is hyperbole, and ill informed.  | 9/23/2017 1:30 PM  |
| 232 | Would like a more permanent spot. Would have preferred to see Stanford anti up some space at the old car lots across from Safeway. Kids/Teens need a better place to interact than one small side street and Fremont Park. Also, not a big fan of the outdoor seating along Santa Cruz. It's too forced. Big fan of outdoor eating but unfortunately, fronting the traffic on Santa Cruz is less than appealing. Would prefer to have outdoor seating developed in the rear of the restaurants and see a parking structure replaced lost parking.                     | 9/23/2017 1:20 PM  |
| 233 | Consider the tenants and business owners in the neighborhood. They need supporting. Yes, a park is nice but not next to a long time tenants window. Not what they signed up for   | 9/23/2017 1:19 PM  |
| 234 | The permanent nature of the this experiment has clearly become a problem. Maybe something that appears only for events like the Arts Weekends. Otherwise it is a negative that is deterrent to people coming downtown that should be permanently removed.   | 9/23/2017 1:16 PM  |
| 235 | The "paseo" (fancy word for bad idea), has become a hangout for homeless people. It is at best a magnet for people who have nothing better to do than sit around panhandling and at its worst an unsanitary, unsightly and maddeningly annoying road blockage. This "idea" was sold to us as a temporary "pop-up" park. It should never be conceived as a permanent thing. It is inconvenient and we do not need any more road restrictions in our town. Please get rid of this thing ASAP.   | 9/23/2017 1:09 PM  |
| 236 | Detracts from enjoyment of the downtown   | 9/23/2017 1:05 PM  |
| 237 | I applaud the experiment but believe it has unfortunately failed. The park is run-down, unsanitary and attracts homeless who would be better served by purposeful programs.   | 9/23/2017 1:03 PM  |
| 238 | IF it is kept, take the fake turf out as it is unsanitary and smells like urine. To see kids sitting on it is disturbing. Put tables/chair seating there instead IF it is kept. Better to remove it or make it restaurant seating.  | 9/23/2017 12:53 PM |
| 239 | Paseo creates a traffic nightmare. Please restore the road.   | 9/23/2017 12:37 PM |
| 240 | I feel its a safe place to have it and is located in a great spot. Also makes it a bit safer when crossing the street to a popular spot.  | 9/23/2017 12:33 PM |
| 241 | This survey was designed in an inherently biased manner with leading questions and flowery, self reinforcing language. If you are legitimately interested in collecting honest feedback from constituents you should design surveys to be balanced and free of bias rather than trying to advance your agenda through a manipulated survey process.   | 9/23/2017 12:15 PM |
| 242 | Not only does it constantly smell, it is an eyesore. There is enough traffic on Santa Cruz and this creates issues with the flow. Also, how would an emergency vehicle get to the buildings that are accessed on the street where the "park" is? How would an ambulance get to someone at the hair salon? Or at Alain Pinel? Or the law firm? It certainly isnt attracting any business or creating any value for the city- either with tax revenue ( which we seem to need) or implied aesthetic value. Our family thinks is actually a HUGE deterrent Get rid of it | 9/23/2017 11:55 AM |
| 243 | I was originally in favor of the Paseo, but it has deteriorated into a unpleasant situation. It is extremely unhealthy and not the image we want for Menlo Park.  | 9/23/2017 11:38 AM |
| 244 | See #5  | 9/23/2017 8:25 AM  |
| 245 | the one we have without bathrooms is a disgrace   | 9/23/2017 8:02 AM  |
| 246 | The 'park' is a blight on MP traffic, businesses, and attracts an undesirable element to our downtown area. Nice idea which doesn't work. Please remove it!!  | 9/23/2017 7:48 AM  |
| 247 | This space is an embarrassment for Menlo Park. It is unsightly and so filthy. Please create a space with tables and chairs somewhere else that doesn't take up a road and parking spots and that doesn't include the use of artificial turf   | 9/23/2017 6:00 AM  |
| 248 | I like the idea, but is there some way to keep it cleaner? What about taking out the fake grass and just having open space with tables, chairs, umbrellas. The fake grass does get dirty and is pretty gross after a lot of use. Maybe make it a "no pet" zone would keep it cleaner  | 9/22/2017 10:03 PM |

|     |   |                   |
|-----|---|-------------------|
| 249 | The homeless people love it! At any given time of day you can see them enjoying sunning themselves in the newly purchased colorful Adirondack chairs. This space not only takes up valuable parking spaces, makes it hard to approach certain businesses and is an eyesore in general. I hope the city considers these comments from residents and business owners like me.   | 9/22/2017 9:48 PM |
| 250 | be willing to admit that an experiment is not working   | 9/22/2017 9:27 PM |
| 251 | It stinks, serves the homeless, not great.  | 9/22/2017 8:45 PM |
| 252 | It is a waste of space. As a small business owner in MP we need PARKING!!!! Focus on building a parking structure. We will never thrive as Redwood City or Palo Alto has without one.   | 9/22/2017 8:39 PM |
| 253 | I've used our Paseo and the one in Los Altos. I'd love to see the installation made permanent; the fake grass isn't attractive. I prefer the Los Altos PUP because it has included ping pong tables and other fun amenities, and had more shade. I'd REALLY love to have Santa Cruz Ave closed to through traffic so we could have wider sidewalks and more outdoor seating; the loss of parking could be made up by building a parking garage. I'd love to see our city become more pedestrian friendly and less car-centric.  | 9/22/2017 8:28 PM |
| 254 | There is a park, kids go there. This temporary one is dirty, messy and only a place for homeless people   | 9/22/2017 7:56 PM |
| 255 | Please remove the Paseo. We have plenty of parks and recreation areas in Menlo Park that go unused. The Fremont Park is only 5 blocks away. Those using the Paseo can go there. It is an eye sore and health hazard. I am a longtime resident and really want it removed.   | 9/22/2017 7:35 PM |
| 256 | the paseo may have sounded like a good idea to city planners at first, but it has turned out to be a filthy road block that attracts homeless people. a pop-up park that takes the place of parking and egress is not needed -- and in fact is creates hazard to traffic along Santa Cruz Avenue and the parking lots along Curtis. between the paseo and the outdoor dining platforms, I'd be curious to know if bicycle and car accidents have increased in the immediate area on or near santa cruz. please remove the park. | 9/22/2017 7:34 PM |
| 257 | Remove this eye sore from downtown Menlo Park and restore the basic requirements of street use!!!! OK   | 9/22/2017 6:42 PM |
| 258 | Thank for trying new things ... but I absolutely detest that area. It looks laughably cheap and cheesy. I would love pedestrian spaces but not synthetic grass used as dumping ground for the homeless and pets. Santa Cruz is the stretch that should be pedestrian with a parking structure between Santa Cruz and Oak Grove. Then we would finally have nicer shops moving in.   | 9/22/2017 6:22 PM |
| 259 | The combination of the retail spaces infringing on SC Ave and this Paseo model have made SC Ave a mess and greatly reduced parking and access.  | 9/22/2017 5:47 PM |
| 260 | stop wasting tax payer money to give the homeless a place to hang and spread diseases.  | 9/22/2017 5:28 PM |
| 261 | It stinks! Cheap, no restrooms, lousy artificial turf. Menlo Park has the resources to create a REAL park and not the crappy Paseo one.   | 9/22/2017 5:10 PM |
| 262 | I personally think the Paseo is awful. I don't understand the benefit and it is embarrassing to Menlo Park and all the residents that live here. We have a perfectly lovely park 4 blocks away. Why aren't we using that park?  | 9/22/2017 5:09 PM |
| 263 | The Paseo is a disgusting, bad smelling, dirty camp for the homeless. It does not enhance the downtown business area and has made getting around the parking lots and into Trader Joe's very inconvenient. We have plenty of beautiful parks in Menlo that we can enjoy without adding one in an inconvenient place downtown.   | 9/22/2017 5:06 PM |
| 264 | Traffic is a huge problem with it, particularly with Trader Joe's being so close. It's so unsanitary as well; I'm appalled when I see babies crawling around on that fake grass. It seems to be a place for homeless to congregate. Get rid of it!!   | 9/22/2017 5:00 PM |
| 265 | Looks fake and is unsanitary with all the dogs and people using it.   | 9/22/2017 4:58 PM |
| 266 | Paseo is a disaster. It's unattractive - creates a dangerous issue for drivers - increases congestion, makes parking even more difficult which discourages use of the downtown shops and services. The turf is filthy. The furniture is ugly. I run errands and shop downtown every day - this "temporary" park is a nightmare. Please take it away or I will have to shop elsewhere.   | 9/22/2017 4:52 PM |
| 267 | I strongly believe it should be removed and returned to a street. Thank you   | 9/22/2017 4:42 PM |

|     |   |                   |
|-----|---|-------------------|
| 268 | It has been a big disappointment. Unsightly, artificial, littered, smokers, vagrants, an eyesore. There are other ways to attract a family atmosphere. This is NOT the answer. Drop the political pretenses and close the Paseo.  | 9/22/2017 4:22 PM |
| 269 | if you want a place for homeless to sleep start a shelter   | 9/22/2017 4:21 PM |
| 270 | Make Fremont park more friendly -put some fake grass in there if you need to.   | 9/22/2017 4:17 PM |
| 271 | Really like this. Increasing the pedestrian friendliness of Santa Cruz makes me want to spend more time on the street which leads me to patronize more businesses. I think Menlo Park needs to continue investing in approaches like this to compete with Palo Alto in terms of keeping restaurants and stores to maintain an appealing downtown. This Paseo and street events on Santa Cruz have added to my feeling of community and connection with the city. Thanks!        | 9/22/2017 4:12 PM |
| 272 | it's ugly and annoying and serves no purpose...if you want a space for movies, block off the area just on movie night   | 9/22/2017 4:07 PM |
| 273 | This is bad planning, it is a carpet with filth on it and it brings in people and things Menlo Park does not want. Get it out ASAP  | 9/22/2017 4:06 PM |
| 274 | It is a blight  | 9/22/2017 4:05 PM |
| 275 | The Paseo has been an eyesore and invitation for loitering and homeless. There is no positive influence on our downtown community. I recommend refurbishing and enhancing Fremont Park for a sense of community   | 9/22/2017 4:00 PM |
| 276 | Very bad ideal  | 9/22/2017 3:59 PM |
| 277 | This is an unsightly and ill-conceived implementation of an important access road in downtown Menlo Park. Most of the day it is a gathering site for homeless people and their carts.   | 9/22/2017 3:55 PM |
| 278 | There is trash on it often and dog poop. This is it's major detractor. For a short time during the summer it is ok  | 9/22/2017 3:53 PM |
| 279 | Unfortunately the last few times I have gone past this park it has had homeless and potentially mentally unstable people in it, and that takes away from the experience and feel of the park and the experience and feel of downtown generally.   | 9/22/2017 3:46 PM |
| 280 | It is a disgrace to our City.   | 9/22/2017 3:40 PM |
| 281 | Need more parking   | 9/22/2017 3:37 PM |
| 282 | This was a well intentioned idea for community inclusiveness that didn't work out as planned. Issues of sanitation, usage and impact on surrounding businesses continue to plague the "pop up" park and our residents would be best served by upgrading of Fremont Park. Additionally this "park" has become a divisive issue between residents/taxpayers and the City Council and I, for one, feel unheard and unrepresented by my council. Kim Glenn Trinity Drive Menlo Park | 9/22/2017 3:37 PM |
| 283 | Do away with the Paseo park. It is filthy dirty, filled with the same homeless people and their carts every day. There is trash all over the place. It disrupts traffic.  | 9/22/2017 3:34 PM |
| 284 | Whenever I walk by there are people smoking cigarettes, marijuana, and they look like derelicts. It also smells really, really bad. Like human urine... Not a good smell.   | 9/22/2017 3:26 PM |
| 285 | Please remove this park ASAP, and move these activities to real parks!  | 9/22/2017 3:25 PM |
| 286 | The present situation is intolerable for almost all concerned - fewer parking spaces, traffic disrupted there, noise, smell, waste to name a few bad effects. Take it down now!!  | 9/22/2017 3:22 PM |
| 287 | Get rid of the eyesore! Horrible!   | 9/22/2017 3:21 PM |
| 288 | The Paseo has done nothing to enhance Menlo Park's community and has taken up needed parking spaces. Please listen to Menlo Park's residents and get rid of it.   | 9/22/2017 3:20 PM |
| 289 | The Paseo is an eyesore and an impediment to doing business in downtown Menlo Park.   | 9/22/2017 3:20 PM |
| 290 | Please just remove it and restore the street as to what it was and should be!   | 9/22/2017 3:17 PM |
| 291 | This is a fake representation of the Paseo. All I see is trash, homeless people sleeping in the park and fake grass full of E Coli and god knows what other bacteria. What started out as a good idea is clearly not. Shift efforts to beautifying Fremont Park.  | 9/22/2017 3:13 PM |

|     |  |                   |
|-----|--|-------------------|
| 292 | Wake Up City Council...Between The Park And Bicycles What Are You All Thinking ????? Born And Raised In Menlo For over 65+ Years....What You Have Done To Downtown...Is Also Sad...The Lights Finally Came On For Free Parking During The Holidays...Finally Something For The Good Of Our MP Community !  | 9/22/2017 3:09 PM |
| 293 | The current location has made traffic circulation difficult. With less parking on Santa Cruz, people are circling on to the adjacent streets more and forcing people all the way down to Bof A to turn right is a problem.   | 9/22/2017 3:03 PM |
| 294 | This pop up park impedes traffic flow. I have seen homeless on numerous occasions hanging out in the park were my high school aged girls do not feel comfortable walking by it. I have noticed at times walking by there is a stench and debris laying around.   | 9/22/2017 3:02 PM |
| 295 | The current formulation is not working. Try putting it up for a few days at a time and only for specific seasonal events. Otherwise, drop the concept altogether and invest in Fremont Park.   | 9/22/2017 3:00 PM |
| 296 | I strongly object to this space as I feel the opportunity cost is too high. We have a lovely park on University and there are other things that could be done to enhance downtown instead of this limited use of space. Please remove it. Perhaps additional benches throughout downtown would be more practical.  | 9/22/2017 2:57 PM |
| 297 | The biggest issue is the artificial turf and uncleanness. My book club met and everyone was talking about the smell of urine and presence of trash.  | 9/22/2017 2:48 PM |
| 298 | Have it available only for scheduled events and not a permanent fixture.   | 9/22/2017 2:48 PM |
| 299 | not a great use of space and seems to cause problems with our community. Folk can gather at the already established park called fremont park!  | 9/22/2017 2:46 PM |
| 300 | I don't know why we need this downtown.  | 9/22/2017 2:44 PM |
| 301 | This fake park is nothing but a disgusting, unsanitary nuisance. I can never get parking, the back lot is frequently clogged with traffic. It's a magnet for homeless and dogs. It's is dirty beyond belief. It needs to be removed IMMEDIATELY.   | 9/22/2017 2:40 PM |
| 302 | it is really unclean in the current Paseo area   | 9/22/2017 2:29 PM |
| 303 | it's dirty; dog urine, homeless, kids spills etc... we have other beautiful other parks. I prefer restaurants with outdoor seating   | 9/22/2017 2:27 PM |
| 304 | Sometimes I want to sit and relax there, but there are a few homeless people who seem to take over. The fake grass seems like it must be filled with mold. I like the idea of a seating area outside separate from restaurants, but the fake grass grosses me out and the homeless hang out makes me less likely to stop and enjoy, especially with my kids.   | 9/22/2017 2:20 PM |
| 305 | I work next the Paseo park and it has attracted the wrong crowds. I have only been here since February and I have noticed quite a bit since working here. There are permanent homeless people that have made this their source of residence. All of their luggage and shopping carts take up space of the park and the seating. Not only does it take up space, but it also makes downtown Menlo Park look very unattractive. It has also attracted musicians who play their amplified music. I have seen them personally drink alcohol and smoke marijuana during their shows. This is a huge issue, because families and children hang out in this park. The fact there is fake grass, this is also a place when dogs relieve themselves. Please keep in mind that the kids lay on this fake grass when they get out of school. I liked the idea of this park, but since I have been here, there has been more negative moments than positive. I hope you can please relocate this park to another location. | 9/22/2017 2:12 PM |
| 306 | The Paseo is currently a dirty home for the homeless. It has taken precious parking spaces away and disrupted already very heavy traffic in the area and hampers emergency vehicles right-of-way. It has negatively affected adjacent Santa Cruz Ave & Curtis St businesses There is a beautiful park on the corner of University and Santa Cruz Ave the City should use for movies, family nights, etc. And, the City should find a better solution for the homeless elsewhere.   | 9/22/2017 2:09 PM |
| 307 | Get rid of the fake park as it is a complete hazard and traffic nuisance. This is not an appropriate use of our city roads   | 9/22/2017 2:05 PM |
| 308 | I've been hoping and waiting for that "thing" to be taken down. It's stupid. It smells bad. It attracts bad people. It makes me NOT WANT TO SHOP IN MENLO PARK - and I've started going to other Starbucks (not in Menlo Park) just because of that stupid park  | 9/22/2017 2:02 PM |

|-----|--|--------------------|
| 309 | It was a nice idea but it has turned into a public toilet and garbage dump! It is a health hazard and should not be part of our downtown!!!!   | 9/22/2017 2:02 PM  |
| 310 | good to try ideas, but let's move on quickly.  | 9/22/2017 1:34 PM  |
| 311 | This park has so many things wrong with it that cannot be made better by cleaning, policing, and wasting more money to improve. It is time to remove it.   | 9/22/2017 1:33 PM  |
| 312 | disgusting, dirty, smells, magnet for homeless, health hazard, feces both human and animal. added to the already existing parking problem. you have a nice "real" park down the street...use it!! Remove this toxic fake grass now!!!  | 9/22/2017 1:32 PM  |
| 313 | I find this park atrocious. It takes up parking spaces, attracts homeless, creates trash and filth, and we have a nice natural park that should be used instead. Why does Menlo Park make sure poor decisions? I don't see this in other downtowns. I was born and raised here and have lived in MP all my life but I prefer to shop and spend time in downtown Los Altos, Ladera Shopper, San Carlos, Palo Alto and even now Redwood City. Please MP City Counsel, quite making knee jerk decisions...  | 9/22/2017 1:23 PM  |
| 314 | Don't believe Jim Cogan when he tells me anything.   | 9/22/2017 1:22 PM  |
| 315 | It is disgusting, there is urine and feces on carpet and then kids are playing on it. There are carts with garbage, it is awful. Interesting how this is worded, also the council has an environmental report. how is this ok? And this is a very misleading survey.   | 9/22/2017 1:20 PM  |
| 316 | The 'paseo' is an annoyance which negatively impacts traffic flow & parking convenience, for little to no noticeable day-to-day positive impact. Thank you for listening.  | 9/22/2017 12:41 PM |
| 317 | The fake park creates health hazards, traffic issues, houses drunks, and people are living in the fake park. It really should go.  | 9/22/2017 12:37 PM |
| 318 | the paseo was a horrible idea when it was first envisioned. we tolerated it at chestnut street and were overjoyed when it was removed . then it went up at curtis and we tolerated it again thinking it would only be for the summer. then it stayed for over a year. it is far beyond time for it to go and never return. you can do any of the things you have done with it at any of the permanant parks like burgeus or the one across from pete's coffee. you also need to remove the on street patios you have given the restaurants. parking for everybody all year long is more important than sitting outside 1 season out of the year. | 9/22/2017 12:32 PM |
| 319 | This is for the homeless people. Unsanitary conditions Takes up more parking space. Parking comes first  | 9/22/2017 11:08 AM |
| 320 | I don't agree with most of the anti-Paseo comments, although it does seem like the implementation was a little ad-hoc and didn't get a lot of buy-in beforehand. It would have been good to set up specific performance evaluation criteria before either trial got started, so you'd have something objective to review before deciding on the future plans.  | 9/22/2017 10:27 AM |
| 321 | Current treatment detracts rather than enhances the downtown. The Block Party permit already allows use of the area; the Movie Series originally noticed Fremont Park as their location.   | 9/22/2017 10:08 AM |
| 322 | If you're dead set on the Paseo, then have it be a summer only thing. It's an awkward use of space when there is a natural park up the street and a gathering plaza down it (where Keplers is). I was really for it when it seemed like a temporary installation for street fairs and the summertime. No reason to have it all year. I'd rather see more parklets like the restaurant spaces, and more interesting stores on Santa Cruz. Demographics show a city of families and the stores are for buying expensive furniture and bathroom fixtures. Affordable, family friendly restaurants would be nice.                                    | 9/22/2017 9:38 AM  |
| 323 | The only blowback I've heard regarding this otherwise excellent improvement relates to the temporary nature (e.g. astroturf). I think it would only gain in popularity if improvements to make it permanent were incorporated (e.g. grass).  | 9/22/2017 9:15 AM  |
| 324 | Please discount the voices of loud mouth elitists in the paper and that own the business on Curtis. There claims of it being an eyesore and a cesspool are completely unfounded. The voices of a very small minority should not be taken as gospel.  | 9/22/2017 8:51 AM  |
| 325 | It's filthy and needs to go. I'm shocked that no one has gotten sick from it. I would love if Santa Cruz were converted entirely into a pedestrian zone, but the Paseo is just not the solution.   | 9/22/2017 12:34 AM |
| 326 | Do not block any more roads in the downtown area.  | 9/21/2017 11:22 PM |

|     |  |                    |
|-----|--|--------------------|
| 327 | It is an attraction for homeless people with no facilities for them to use (restrooms), no actual playground for children and would never let a child crawl on the turf which has dog droppings, etc. Have seen kids throwing plastic balls (Chestnut St. location) which is fine except if they were not caught they bounced off of Wells Fargo windows. Annoying to the employees, I am sure. Movie night: Chestnut Street location on Saturday for the weekend had two trash cans at each end of the street overflowing. Park with a playground is on Middle and children can have more fun there vs a block of artificial turf. Bad idea all around. | 9/21/2017 10:51 PM |
| 328 | This place is dirty and the City is spending money to keep buying the chairs. Homeless people sit there. Full of liter.  | 9/21/2017 9:35 PM  |
| 329 | The more pedestrian friendly spaces, the better! My whole family really likes that space.  | 9/21/2017 8:43 PM  |
| 330 | I think it's a good idea, but not enough. The outdoor tables at restaurants on Santa Cruz are great. I think the whole street should be closed to traffic from El Camino to University Av.<br>david.disegno@gmail.com  | 9/21/2017 8:02 PM  |
| 331 | This place is becoming filthy and attracted too may homeless people who litter a lot.  | 9/21/2017 7:30 PM  |
| 332 | unsightly, poor quality; fix unsightly and dangerous parking lots  | 9/21/2017 7:23 PM  |
| 333 | The Paseo is a nuisance and makes driving around downtown even more difficult  | 9/21/2017 6:29 PM  |
| 334 | It is a really bad idea. Please get rid of it. We need road access -- for free flow of traffic and for emergencies.  | 9/21/2017 6:13 PM  |
| 335 | It creates a place for bums and drug addicts to hang out. Eliminate it. And get those people some help.  | 9/21/2017 4:54 PM  |
| 336 | I love how bustling this space is all the time! Makes downtown feel welcoming and makes it more of a pedestrian friendly space!  | 9/21/2017 4:49 PM  |
| 337 | Please get rid of it. Please continue with Movie Night or other events by temporarily closing off streets ONLY during those events. These little parks are stupid.   | 9/21/2017 4:32 PM  |
| 338 | put in real grass, keep it clean and don't let the homeless guys live there  | 9/21/2017 4:20 PM  |
| 339 | Build more permanent parks, not pop-up versions  | 9/21/2017 4:17 PM  |
| 340 | It's very helpful to have the current location be permanent, as it's hard for older people to find parking close enough to Walgreens for our prescriptions. It makes it safe to cross the street there. Thank you.   | 9/21/2017 3:35 PM  |
| 341 | The only bad things are the homeless usign the chairs and space like their homes and the dog shit people don't pick-up after their pets :(   | 9/21/2017 3:32 PM  |
| 342 | Should be landscaped attractively with plants and seating. NO ASTROTURF!!  | 9/21/2017 3:27 PM  |
| 343 | Too many homeless people hanging out there. Chairs always end up broken and it looks dirty.  | 9/21/2017 3:25 PM  |
